Noah,

FDEP provided EPA with suggestions from third parties related to the 404 rulemaking and, as part of the assumption process, sought our feedback. Attached please find our responses. We have included FDEP's questions (highlighted in blue text) and EPA responses (highlighted in yellow text) along with any other information necessary to provide background/context.

If you have any questions regarding our responses, please let us know. As always, we appreciate the excellent coordination with you and your staff on this matter.

Thanks,
Mary
